What can 0845 numbers be used for?

- Customer Care
- Fax numbers
- Advice lines
- Response lines
- Advertising Campaigns

- Placing orders
- Requesting a brochure
- Generating leads
- Complaint handling
- You take them with you if you move
- Does not effect your usual phone calls
- It is yours to keep for ever
- You can have as many 0845 numbers as you need
- 0845 numbers are routed to your existing phone number (no extra hardware)
- These are just some of the things that you could use your 0845 numbers for.

- You can choose to have a more memorable number (ask for details)

Benefits of having this number

It says to customers that you value their custom so much, that it will cost no more than 5p per minute on the BT network, wherever they are calling from in the UK. There is no need to change your number as this number sits on top of your existing one.

Your 0845 number can help reduce marketing costs by letting you control your own marketing campaign through the 0845 number you choose.
